

# Tidal Shipping (Pty) Ltd

## Ships Agents , South Africa

### COMPANY PROFILE

---

As a service provider in the shipping industry, Tidal Shipping (Pty) Ltd acts on behalf of its clients as agents, providing Ships Agency, Seafreight and Logistics services. We specialize in the handling of bulk cargo imports and exports, and we provide services at all South African ports.

### SERVICES PROVIDED:

---

#### **Ships Agency:**

This is the core business of Tidal Shipping (Pty) Ltd, we act as charterers and owners agents for vessels calling at all South African ports. Our services include:

- Full ships agency services
- Loading and discharging of vessels
- Acting as charterers , owners and protecting agents
- Project cargo
- Breakbulk cargo
- Dry bulk cargo
- Liquid bulk cargo

#### **Seafreight – Containerized cargo:**

Besides handling bulk cargo, we also handle large volumes of containerized cargo. These volumes allow us to negotiate competitive rates with all the major shipping lines - this is what sets us apart from our competitors.

#### **Logistics / Customs / Freight forwarding:**

We act as Customs Brokers for majority of our clients. Prior to vessel arrival, we ensure all documentation is in order to ensure efficient turnaround of our clients' cargo. In addition, we offer transport solutions for local , long distance or over-border deliveries, as well as all storage and warehousing as and when required.

#### **Offices and locations :**

Tidal Shipping head office is in Durban and we offer services in the following ports :  
Durban , Richards Bay , East London , Port Elizabeth , Cape Town and Saldanha bay port.

### OUR CLIENTS

---

Our clients are primarily large corporate manufacturers, international commodity trading companies, and agricultural co-ops where their primary business is trading products with customers and suppliers in the global market place.

### OUR HISTORY

---

Tidal Shipping (Pty) Ltd was established in 2011, in partnership with a large agricultural group. The primary focus being to handle shipping and logistics services for all companies in the group and in addition we extended our services to a wide range of other clients.

However during 2015, when the Group restructured, Tidal Shipping was taken over by way of a management buyout.

### TIDAL SHIPPING TODAY

---

We are an independently owned and operated Ships Agency business. Our management team has a wealth of experience and knowledge in the Shipping Industry. We pride ourselves that our high level of service delivery has allowed us to establish long term business relationships with clients across a wide range of Industries.

Besides our competitive Ships Agency fees and Shipping rates, we are confident that our excellent level of services will meet and exceed any client expectations.

Our head office is based near Durban port, and we offer services at all ports in SA.
